

2 day *Seminar* cum *Exhibition*

"Use of Enzymes for Quality improvement and higher recoveries through efficient Fermentation, Distillation including production of Ethanol " and "Effluent Treatment technologies for Zero Spentwash Discharge (ZSD)" with **Exhibition** for **Technologies & Products**

Organised by:

All India Distillers' Association

18th-19th February, 2016

at Hotel Crowne Plaza Today, Okhla Phase-1, New Delhi- 110 020

Message From Director General (AIDA)

All India Distillers' Association (AIDA) wishes to all its members and associates from all fields "a very happy and Prosperous New Year -2016"

I am pleased to inform all members, colleagues, associates and other stake holders that AIDA is holding its next 2 Day National Technical Seminar and an Exhibition to co-inside with the seminar, on 18-19th February, 2016 at Hotel Crown Plaza Today, New Delhi.

I therefore extend a hearty invitation to all of our members and colleagues to arrange participation in this seminar-cum Exhibition to apprise themselves of the latest developments and up-coming technologies, in different fields concerning the distillery industry including the Effluent Treatment Technologies.

You are aware that our constant endeavour has been to bring out, for the benefit of our members, latest developments in distillery technologies on production, fermentation, distillation and improvements in liquor quality and most importantly the Effluent Treatment technologies to achieve Zero Spentwash Discharge (ZSD). It has always been our endeavour to introduce to our members and delegates to new technologies from all over the world, as far as possible. It is in this context that AIDA Seminars have now become a solid platform for all stake holders, technology providers and technical experts to propagate and show case their technologies to a gathering of 125-150 delegates through our seminars. AIDA seminars are therefore now eagerly awaited for and appreciated by all and sundry. In pursuance to this policy we have invited few technology providers from foreign countries and hope to have presentations primarily on Effluent Treatment from 2-3 countries.

I therefore expect all our members to participate during the seminar-cum exhibition to mingle among and discuss various technologies during different brain storming sessions, with the best technical brains in the industry, to get to the bottom of the problems facing the industry.

I am also glad to inform that New Delhi being the seat of the Govt. of India, we are arranging to invite 1) The Hon'ble Minister of Food Processing Industries, GOI, 2) Hon'ble Minister of MOEF, 3) The Chairman of CPCB as the Chief Guests.

As already explained the subject matters of technical feasibility applicability, and its availability in different fields of distillery industry that of Fermentation, Distillation, improvement in recoveries, Water conservation, Energy conservation, Ethanol production for blending with petrol and Effluent Treatment to achieve ZSD and all such subjects of importance including policy matters as it stands today against different issues, shall also be thoroughly discussed and explained during two days of the seminar.

EXHIBITION

The exhibition being arranged to co-inside with the seminar shall provide an opportunity for and window for all the distillers, stake holders, technology providers and product manufacturers to show case their technologies and/ or equipments during the exhibition for the benefit and attention of a large number of visiting delegates under one roof.

Finally I request all members and other delegates to keep these dates free and ensure that you do not let go this huge opportunity to be amongst the industry's best technology providers and discuss with them on one to one basis during the exhibition and derive benefits about latest technical innovations etc. from these meetings and presentations.

-V.N. Raina, Director General, AIDA

FEES ETC

We have following slots available for all interested parties for

- 1) Sponsorships
- 2) Exhibition Stalls
- 3) Presentation and Speakers Slots etc. ***The details about all these are given here under:***

SPONSORSHIPS

- Diamond Sponsor:** 1No **Sponsorship Cost:** INR 5,00,000/- (Plus applicable Taxes)
Gold Sponsors: **Sponsorship Cost:** INR 4,00,000/- (Plus applicable Taxes)
Silver Sponsors: **Sponsorship Cost:** INR 3,00,000/- (Plus applicable Taxes)
Lunch Sponsors: 2nos. (one for each day) **Sponsorship Cost:** INR 75,000/- (Plus applicable taxes) Available one only
Memento Sponsor: 1No. **Sponsorship Cost:** INR 75,000 /-(Plus applicable taxes) (Booked)
Kit Sponsor: 1No. **Sponsorship Cost:** INR 75,000/- (Plus applicable taxes) (Booked)

EXHIBITION

1. Size 3 x 2 Mtr INR 70,000/- All inclusive
2. Size 2 x 2 Mtr. INR 50,000/- All inclusive

DELEGATION FEE

For AIDA Members : INR 5,500/- Per delegate

For Non Members : INR 7,500/- All Inclusive

A discount of Rs. 500/- each for 3 or more delegates from one company / Organisation.

Presentation / Speaker's Fee

No fee for paper presentations from member distilleries. However, Papers and presentations must be submitted for approval at least 15 days before the event.
